PROFILE

A sharp, imaginative creator with a **builder's mindset** and a strong eye for quality. I work across **branding, packaging, motion**, and social content, pairing design craft with a fast, resourceful approach to generative-AI workflows — always aiming for the clearest, most effective execution.

EXPERIENCE

Freelance Designer

MAR 2026 — PRESENT

Independent Practice **CURRENT**

Independent design practice delivering brand identity, packaging, and web for retail and hospitality clients. Built the logo, brand system, and FMCG packaging design for **Fox Harvest Foods**, and led logo, branding, and end-to-end website design and maintenance for **Parvv Banquets**.

BRAND IDENTITY / FMCG PACKAGING / WEB DESIGN / LOGO SYSTEMS

Graphic Design Intern

MAY 2026 — JUL 2026

ConvergenSEE India Martech Pvt. Ltd.

Produced multi-format creative for national brands including Mahindra Auto, Kotak Life Insurance, Blue Dart, SBI, Fair Chance Learning, and Equitas — spanning social statics, reels, motion graphics, emailers, pitch decks, concept videos, and carousels, alongside size and language adaptations. Applied generative AI to deliver on-brief statics and video with strong attention to detail and efficient use of resources.

MOTION GRAPHICS / SOCIAL & REELS / PITCH DECKS / GENERATIVE AI

Graphic Design Intern

MAY 2025 — JUL 2025

Digeratie XP Private Limited

Created social-first creative and website advertisements for brands including Stihl India and Ailo, while building a working understanding of studio workflow and client delivery.
