LOGOS

FOX HARVEST
FOODS

PRIMARY LOGO

SECONDARY LOGO

SUB MARK

FAVICON

The logo features a stylized fox positioned at the center, holding a dry fruit (resembling an almond) in the foreground. The design is enclosed within a circular badge layout, creating a seal-like appearance. The brand name “FOX HARVEST FOODS” curves along the upper inside edge of the circle, reinforcing the emblem style.

CORRECT USAGE

Following is the Correct Usage for the logo:

- The logo must always be used in monochrome.
- The logo must fit perfectly within a circle and remain equidistant from the circumference at all times.
- When placed on a dark background, a white circular base must be used, with the logo positioned in its original color inside the white circle.

This maintains visual clarity, preserves the integrity of the fox mark, and ensures the intended color logic remains consistent.

INCORRECT USAGE

Light variations must be used directly against a dark background, as this compromises the integrity of the fox emblem and disrupts the established color logic. Please refer to the “Correct Usage” guidelines for the approved color application on dark backgrounds.

Logo must always be monochrome and have one single color throughout. There shall be absolutely no distortion in the logo mark. Logo should fit in a perfect circle
